A HIGHER EDUCATION BENEFIT FOR JA SUPPORTERS

As a Junior Achievement (JA) volunteer or teacher, we have a special "Thank You" for your support! In celebration of JA's 100th anniversary, National University System (NUS), a network of accredited, nonprofit universities, serving over 45,000 working adults nationwide, is offering exclusive tuition rates to qualified JA volunteers and teachers.

Through this scholarship, JA volunteers and teachers are eligible for a **tuition rate of \$4,999 per year for over 100 degree programs**, including business, education, and organizational leadership. This means popular degree programs such as the MBA and Master of Education **can be completed in 12 months for as low as \$4,999**. you have the opportunity to pursue your educational and career goals by enrolling at National University, John F. Kennedy University, or City University of Seattle.

• **New classes start every month!** • **100+ programs available online** • **Three universities to choose from**
