This email is going to all PFT Members

Dear PFT Members,

Good news! We have successfully bargained a one-time payment for PFT unit members, in recognition of your **tireless efforts** navigating the COVID-19 pandemic since March of 2020. This was a bargaining priority of membership that we have been working to negotiate for a very long time. The MOU is attached to this email. We will be discussing it with your elected PFT Site Reps at our monthly meeting tomorrow night, so they will be able to answer any questions you might have on Thursday.

In Unity,
Kelly
