

May 8, 2023

Dear PFT Members,

Happy Monday! The voluntary transfer process is open and available positions are posted on the district website. You can view openings by going to Employees, Personnel Resources, Teacher Transfer Opportunities or by clicking [PUSD Teacher Transfer Opportunities webpage](#).

Additional positions may become available as people resign, retire or as enrollment grows so be sure you've submitted your transfer request form (listing all sites and all grade levels/content areas of interest). This will secure you an interview not just for a currently listed position, but for additional positions as they come up.

Please see the email below and the attachment for additional information on the specifics of the transfer process.
