Dear PFT Members,

The PUSD School Board has voted unanimously to approve the Tentative Agreement (TA) between PUSD & PFT for a 5% ongoing salary increase for next school year! The 5% increase will be reflected on your first pay warrant of the 2022-23 school year. This 5% increase is in addition to the 4% increase we received this school year. The agreement is attached to this email. Happy Summer!

In Unity,  
Kelly
